In the workshop, students will develop concepts and strategies for an ex-British military housing quarter in Detmold, Germany. Through the reuse of the existing buildings, new typologies will be developed that will better meet contemporary housing needs and update the neighbourhood as a whole.

Apply now!

to attend this workshop, grants are available, and no additional fees have to be paid!

Please send your application until the April 15th, to: theresa.kellner@hs-owl.de
